THE ACE OF SPADES

OCT -3 1925

A TEN EPISODE ADVENTURE PICTURE, STARRING WILLIAM DESMOND....EPISODE 4

Following the fight in the cave with Gideon Trask and his villains, Olive has leaped into the whirling water from which none has ever escaped. Dan Harvey dives to her rescue and saves her, but she has lost the precious mineral map. Her father, Martin Heath, becomes despondent over the loss and goes to Trask's gambling den, where they begin to fleece him of his savings.

Olive, who loves Dan Harvey, sends him to bring her father home. Failing to persuade the old man, Dan determines to get in the game--- though he has promised the girl never to gamble---and win ~~the~~ Martin's money for the purpose of returning it. He wins the money, but Martin refuses it and Olive snubs him.

Trask's gang starts a fight to prevent Dan from leaving with the winnings. A fire starts and Dan lies wounded on the floor, unable to move while the roaring flames envelope him and the papers, which have fallen from his pocket.
